

Lead-Based Paint & Lead-Based Paint Hazards Disclosure of Information

Lead Warning Statement:

Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including but not limited to; learning disabilities, behavioral problems, reduced intelligence quotient and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards. A risk assessment or inspection of possible lead-based paint hazards is recommended prior to purchase.
