COMMUNITY RULES & REGULATIONS

PREFACE: Management of your community offers Equal Housing Opportunities. We do business in accordance with Federal Fair Housing Laws and will not discriminate against any person because of race, color, religion, sex, handicap, familial status nor national origin in the sale or rental of housing or residential lots; advertising the sale or rental of housing; financing of housing; or in providing real estate brokerage services. Welcome to the ***Miamisport Manufactured Home Community!***

It is our desire that you and your family enjoy living here and will consider our community as your home.

We have designed a number of guidelines that are intended to maintain the community in such a way as to make you pleased to live here. The standards outlined in these rules should serve as a guideline of behavior for the residents and their guests and will establish conformity amongst all of our residents.

I. OCCUPANCY AND RENTAL

1. **OWNERSHIP:** At least one member of majority age must be the titleholder of the home as the owner. The owner or owners of the manufactured home must be the resident and must occupy the manufactured home during the full term of the residency. Residency shall terminate if the owner does not occupy the manufactured home or if all occupants have not been approved and registered (exempting minors). Residency shall terminate if the homeowner or his/her immediate family does not occupy the manufactured home, unless prior written authorization has been obtained from management.

2. **LEASE TERMS:** The payment is considered late if it is received after the 5th day of the current month. A \$50.00 charge will be added to the balance due after the 5th of the month. **Rent payments will be first applied to outstanding balances.** The balance will not be considered "paid in full" until all fees or home payments due have been paid. A partial payment is still subject to penalties until it is paid in full.

3. **UTILITIES:** Except as provided herein, Resident shall pay as part of the rent due the full cost of all utilities servicing the premises including, but not limited to, natural gas, electric, water, sewer, telephone and cable or satellite television. Management is responsible for providing water and sewer and gas (if applicable) and electric up to the point of connection of the mobile home. The resident is responsible for all maintenance from your home to the point of connection to the Park's main connector. In addition, resident is required to heat tape and insulate all exposed water lines, meter pits, and meters. Should there be a break due to the heat tape not functioning then the resident is responsible for the cost of replacement. Rent specifically includes the payment of all utilities and fees.

4. **FEES:** Resident will also be responsible for all fees and charges incurred pursuant to the Community Rules, which are incorporated herein. All payments made will be first applied to any outstanding balance due.

5. **APPROVAL:** All occupants of a home shall be approved prior to commencing occupancy. An background check fee of \$40.00 per adult residing in the home shall be charged to residents moving into the community to cover the cost of credit and background checks. State law requires that all occupants of the home be registered with community management. A security deposit equal to one month of current lot rent is required.

If a resident has left the park for a period of three (3) months or more, then residency is deemed to have expired. If the former resident returns after this extended time period and seeks to reinstate his or her residency, they must apply for residency and agree to submit to a background check. Pre-approval is necessary to re-commence residency within the community.

6. **CRIMINAL BACKGROUND:** Residents are expected to conduct themselves in a manner that does not violate the law or rules of the public health council, the Indiana Manufactured Home Commission or local regulations. Persons convicted of a felony after their residency has commenced may have their residency terminated should that felony be of a violent nature or an aggression against minors.

A criminal felony conviction may affect the approval process for residency. If a person applies for residency but has a criminal felony conviction from the following offenses that occurred less than 10 years ago, you will be asked about the nature of that conviction as well as the date of the conviction:

- Sex Offender particularly those that were offenses against minors
- Drug possession and drug trafficking
- Theft
- Armed Robbery
- Burglary
- Rape
- Kidnapping
- Any other criminal conduct that would affect the safety or welfare of the others.

II. GUESTS, AUTHORIZED AND UNAUTHORIZED OCCUPANTS, SUBLEASING BY ANY RESIDENT:

In the interest of providing a safe environment for our private community it is of upmost importance that we know who resides in the community and that each Resident meets the criteria for residency.

For that reason, the following must be adhered to by all Residents and a violation of any of these items will be grounds for eviction of the Tenant(s):

- a. The property will be used as a residence only for those approved Residents and approved occupants. Each occupant over the age of Eighteen (18) years of age must apply for residency if they 1) intend to remain as a permanent resident, 2) in fact, move into the Property and reside there for longer than a 72 hour period.
- b. At least one member of majority age must be the titleholder of the home as the owner. The owner or owners of the manufactured home must be the resident and must occupy the manufactured home during the full term of the residency. Residency shall terminate if the owner does not occupy the manufactured home or if all occupants have not been approved and registered (exempting minors). Residency shall terminate if the homeowner or his/her immediate family does not occupy the manufactured home, unless prior written authorization has been obtained from management.
- c. The Tenant may not sub-let the rented property, any common area or parking area to anyone without the Landlord's written consent. Any sublease or assignment of this Lease shall not relieve Tenant(s) from liability: for payment of rent or other charges or from the obligation to be bound by the terms of this Lease.
- d. Landlord must be provided with a list of all permanent Tenants in the home prior to the signing of this Lease.
- e. If, after the lease has been signed, should any other family member or individual come to live or reside in the home with the approved Resident(s) for longer than a 72 hour period within a one-month period, the Tenant(s) shall fully and truthfully apply for residency and permit Park Management to conduct a background check on each individual applying for such residency. Failure to permit Park Management to conduct a background check shall be grounds for termination of the unauthorized residency.
- f. Criteria Review as Background Check:
1. Each applicant shall provide a list of their respective names to the Landlord;
 2. Each applicant shall have at least two (2) landlord references, given with telephone numbers and addresses for contact with the previous landlords;
 3. Each applicant shall submit to a credit check. If the credit check reveals that person fails to meet the creditworthiness for independent rental of the premises, that person's occupancy shall terminate upon the termination of the approved Resident with whom they reside and they shall vacate upon the termination of residency of the approved Resident;
 4. Each applicant shall submit to a criminal background check for the safety and welfare of all of the Residents of the Community. Any violent crime for which there is a conviction shall be grounds for disapproval whether misdemeanor or felony.
 5. Residents are expected to conduct themselves in a manner that does not violate the law or rules of the public health council, the Indiana Manufactured Home Commission or local regulations. Persons convicted of a felony or misdemeanor after their residency has commenced may have their residency terminated should that felony be of a violent nature or an aggression against minors.

6. Park Management reserves the right to determine whether the conviction would cause the potential for harm to the Community. The Community shall not wait until harm is committed to consider the applicant/occupant approved for residency.

g. **GUESTS:** Occupants who stay in a home for a 72 hour period or less within a one-month period, whether consecutive or not, shall be considered guests. However, if the occupant resides in the Park for longer than a 72 hour period within a one-month period must undergo the application process to be approved for occupancy. Occupants are not the leaseholders yet are still subject to compliance with the Community's Rules for Residency.

h. Any approved Resident shall be held responsible for the actions or inactions of the occupants of their home, including any failure to apply for residency in compliance with these rules. Should the unauthorized occupant remain in the premises without approval of Park Management over the 72 hour period within one month, consecutive or not, such inaction by the Resident to have his/her occupants approved shall result in the termination of the Resident's residency. If said occupants are not approved for residency, it shall be the responsibility of the approved Resident to terminate the unapproved occupancy and the Resident shall know that his/her residency shall terminate with the unapproved and/or unauthorized occupant

i. The approved Resident shall be responsible for damage to any rented or Community property, the violation of any of the other terms of this Lease, the Rules (defined below), or any of the laws of this state, by any of the Resident(s)' family members or guests.

j. No manufactured home shall accommodate or be occupied by more than two persons per bedroom including the owner (resident) and family or in accordance with local laws.

9. **DEATH OF A RESIDENT:** If there is only one owner of the home and that person dies, a remaining spouse on the lease shall have the option of continuing residency in the community.

10. **ABSENCE FROM COMMUNITY:** A resident who is absent from the premises for 30 or more consecutive days without first notifying community management, and who is in default of rent, will be considered to have abandoned the property and management

and the residency expired. At its sole option, Management may dispose of the property and all remaining personal property as provided by law.

11. **ABSENCE FROM COMMUNITY:** A resident who is absent from the premises for thirty or more consecutive days and who is not in default of rent remains responsible for any and all maintenance of the leased premises as if the resident were present and in residence. Failure to maintain your leased premises will result in the termination of your residency.

12. **REINSTATEMENT AFTER ABSENCE:** If a former resident return after this extended time period and seeks to reinstate his or her residency, they must submit an application for residency and agree to submit to a background check. Pre-approval is necessary to re-commence residency within the community.

Management further reserves the right to request that a resident's accommodating facility or service meet the standards for occupancy of the community.
