

Sale Name: 11.20.24 - ONLINE ONLY AUCTION - COUNTRY HOMESTEAD WITH MULTIPLE OUTBUILDINGS ON 4.3+/- ACRES! MACY, IN

LOT 1 - Country Homestead on 4.3+/- Acres

Description

This 2-3 bedroom, 3 bath home features a welcoming large front porch, perfect for enjoying the serene surroundings. Step inside to find an open concept kitchen, living area that creates a warm and inviting atmosphere. The newly designed kitchen boasts stainless steel appliances and a stylish subway tile backsplash, ideal for both cooking and entertaining. The home offers 2 bedrooms, each with their own ensuite, ensuring privacy and comfort, while an additional office space can easily serve as a 3rd bedroom. A generous laundry/mudroom provides convenience for everyday living.

The property includes an impressive 42x40 pole barn equipped with concrete floors, water, electricity, and stalls, making it an excellent space for horses or 4-H projects. Additional outbuildings feature a chicken coop and 2 open livestock shelters, catering to your farming needs. You'll also find 2 more pole barns, one with a dirt floor and an open side, adding to the versatility of the property. The entire area is complemented by a fenced-in pasture, perfect for grazing animals. This homestead is a rare find, blending modern comforts with country charm, making it the ideal place for your next chapter!
