LOT 616 - Reloaded .357 ammunition - 100 rounds

Description

Two storage cases containing reloaded ammunition. Each case is labeled with specifications: Accurate No. 5 Powder, 8 1/2 grains, and 160-grain bullets. The ammunition is housed securely in stackable black plastic boxes, ensuring organized storage. These reloaded rounds are suitable for use as specified and were prepared with noted powder and bullet grain attributes.

Quantity: 1
