**LOT 3235 - Carved Wooden Wall Plaque with Floral and Symbolic Motifs**

**Description**

Carved wall plaque featuring floral designs and Chinese calligraphic symbols, possibly evoking themes of longevity and prosperity. Includes an arched design with a single hole for hanging. Crafted from solid wood and lightly finished. Minor surface wear visible on both front and back, consistent with prior use. Measures approximately 6 inches tall and 6 inches wide.

**Quantity:** 1
