LOT 620 - Tandy Radio Shack Porsche 928 Remote Control Car with Controller and Box

Description

Tandy/Radio Shack Porsche 928 remote control car with original controller and box. The car features Porsche 928 livery with a silver body and stripe accents. The rear wing displays 'Porsche Turbo Racing.' The battery compartments for the remote and car are visible, along with their respective configurations. Includes Styrofoam protective insert and outer packaging, which shows some wear. Untested.

Quantity: 1
