LOT 106 - 2 Iron Blades/Heads with Wood-Bound Sheath, approx 9" blades

Description

Two iron blades with visible signs of rust and wear. The first blade features a riveted handle with 6 exposed fasteners. The second is a spear-shaped narrow blade accompanied by a wood-bound sheath showing wear and structural damage. Items are in as-is condition, with visible aging and patina consistent with extended use and exposure.

Quantity: 1
