**LOT 101 - Grand Rapids Band Instrument Co. Brass Tuba, patina & dents, functional condition unknown**

### Description

Brass tuba featuring visibly worn surfaces and etched markings by the manufacturer, with lettering partially legible. The instrument displays a large bell and intricate valve tubing design, consistent with traditional tuba construction. Signs of patina and wear

throughout, particularly on the exterior bell and tubing. Serial number '5418' is inscribed near the valve mechanism. Functional condition unknown.

**Quantity: 1**
