The **WATERWAY** *to* **HAPPINESS**

SUNSET . . . and quiet water which breaks and gurgles across the bow. Each dip of the paddle whisks the reflections of a thousand colors. This is the magic hour.

Just drift. The shadows of the shore deepen. You float along—an idle stroke or two keeps you moving.

Or on the trips up winding streams. Each bend is a new adventure—a picture more beautiful than the last. And the rhythmic swing of the paddles carries you mile after mile . . . tirelessly. No effort. No work. Just pleasure!

For an "Old Town" is the easiest of canoes to paddle. It answers instantly the slightest pressure of the blade. Speed, too, is built into every "Old Town Canoe." And strength, and steadiness.

All "Old Towns" are patterned after real Indian models. To the grace of original Indian designs is added the improved construction of "Old Town's" master canoe builders. Get an "Old Town." It will last you for years. And these, the finest of canoes, are the lowest priced. \$54 up from dealer or factory.

The new 1925 catalog shows all models in full colors. It is free. Write for one to-day.
